tweets

#LTi2013

These following tweets were generated by LT-Innovate team, participants and Language Technology community about the LT-Innovate Summit 2013 on the 26 and 27 June 2013 with the hashtag #LTi2013. Note that direct retweets are not displayed in contrast with edited retweets. Tweets that mentioned @LT-Innovate without #LTi2013 are not taken into account.

The screenshot shows a vertical list of five tweets. Each tweet includes a profile picture, the user's name and handle, the text of the tweet, and the time or date it was posted. The first tweet is from @LTInnovate, followed by two tweets from @jtorras, one from @Treparel, and one from @syllabs. Each tweet has an 'Expand' link below it.
